Fellowship in Unity

Welcome To North County

Our goal is to provide an inviting place to connect with God and each other, to grow and be transformed into the image of Jesus, to serve each other and our community and to share our faith with those who do not know Him.

Our vision is to be:

LIGHT in a dark and lost world.

SALT in a tasteless culture.

LEAVEN to change the quality of life around the world one person at a time.

We trust the power of fellowship in Christ to equip us for a holy life and service. We believe the ancient scriptures contain all things for life and godliness.

How To Get Connected At North County

Sometimes it can be a little intimidating to walk into North County and see so many people and wonder, "How do I get to know someone?" or "How do I get connected?" Here are some simple ideas on what you can do to take that first step.

- 1. Take the initiative** – say hello to someone! You'll be glad you did.
- 2. Go to the Welcome Booth** – check out the booth in the outside lobby and the people there will answer questions and help you find where classrooms and restroom facilities are located.
- 3. Fill out a Response Card** – in the back pocket of the seats in front of your seat is a card that you can fill out and check any areas you may be interested in.
- 4. Grab a donut and coffee or juice** – we have a "fellowship" break between our first service and Bible Class. Join the crowd and meet some people. If you attend the second service, be sure to hang around afterwards.
- 5. Attend a Bible Class** – at our 10:00 a.m. hour we have classes for all ages. All of our classes are studying from the Bible are in a discussion format, so the learning is easier and more practical.
- 6. Go to a Small Group** – we have many small groups that meet during the week. See the other side of this sheet for the locations and contact information.
- 7. Come to our Wednesday Night Service** – every Wednesday night we have a time of songs and praise as well as a class time for all ages. We end at 8:15 so you still have time to get children in bed.
