Welcome To North County

Our goal is to provide an inviting place to connect with God and each other, to grow and be transformed into the image of Jesus, to serve each other and our community and to share our faith with those who do not know Him.

Our vision is to be:

LIGHT in a dark and lost world.

SALT in a tasteless culture.

LEAVEN to change the quality of life around the world
one person at a time.

We trust the power of fellowship in Christ to equip us for a holy life and service. We believe the ancient scriptures contain all things for life and godliness.
