The Connection

August 24, 2008

North County Church of Christ
Connecting with Jesus and each other

The Spivey's Have Accepted!

Tim Spivey
Senior Minister

A note from the elders about Tim Spivey:

On Sunday we announced that, after a lot of discussions and input from the congregation, we had made an offer to Tim Spivey to serve as our Senior Minister. We are pleased to announce that he has accepted that offer. Tim and Emily have accelerated getting their move underway so that their daughter can start school here next week. Tim will officially begin his work with us on September 1, and will share his first lesson with us on September 14. Be praying for Tim and Emily as they travel and as they settle here in Escondido. Pray that God has brought them to just the right place to most benefit the Kingdom.

Welcome To North County

Our goal is to provide an inviting place to connect with God and each other, to grow and be transformed into the image of Jesus, to serve each other and our community and to share our faith with those who do not know Him.

Our vision is to be:

LIGHT in a dark and lost world.

SALT in a tasteless culture.

LEAVEN to change the quality of life around the world one person at a time.

We trust the power of fellowship in Christ to equip us for a holy life and service.

We believe the ancient scriptures contain all things for life and godliness.

Order of Worship

Songs: *Give Thanks to the Lord*
167 Hosanna
