North County Church of Christ
Connecting with Jesus and each other

Welcome To North County Church of Christ

Our goal is to provide an inviting place to connect with God and each other, to grow and be transformed into the image of Jesus, to serve each other and our community and to share our faith with those who do not know Him.

Our vision is to be:

LIGHT in a dark and lost world.

SALT in a tasteless culture.

LEAVEN to change the quality of life around the world one person at a time.

We trust the power of fellowship in Christ to equip us for a holy life and service. We believe the ancient scriptures contain all things for life and godliness.

Order of Worship

Songs: *I Will Bless You Oh Lord*
Ancient of Days
Lord Most High
Shout to the Lord

Prayer and Welcome

Reading: **Psalm 95: 6-7a**

Songs: **153** *Come Let Us Worship & Bow Down*
Wonderful, Merciful Savior

Communion:

Contribution:

Song: *76 How Great Thou Art*
How Great is Our God

Lesson: **Tim Spivey**

Closing: *As The Deer Thirsts*

A Red Letter Day

Next Sunday — Neighbor Day

Tim Spivey will begin a new series based on Jesus' own words. These lessons will reveal him in his glory and highlight his message of life, promise and assurance. It is through his word of truth that we are transformed into his likeness.

This is an excellent opportunity to introduce your family, friends and neighbors to the message of hope. Use the available invitation cards to encourage them to join you for this inspiring day.

A Carne Asada Burrito brunch will be served following each of the services. If you attend the **first service** and your last name begins with **A-M**, please bring **fruit** to share; if **N-Z**, please bring **bagels and cream cheese, coffee cake or other pastries**.

If you attend the **second service** and your last name begins with **A-I**, please bring **appetizers**; **J-R salad** and **S-Z dessert**.

Recipe for success

Be selfless- park on the far side of the pool, take the least convenient seats.

Be helpful- volunteer for the children's program, step in and help greet and meet.

Be involved- do all you can to bring at least one person with you.
